In the Matter of

BEACON BROADCASTING CORPORATION

FCC File No. BPED-900905ML

For a Noncommercial FM Broadcast Station at Allentown, Pennsylvania)

Chief, FM Branch To:

OPPOSITION TO PETITION FOR LEAVE TO AMEND AND AMENDMENT

The Lehigh Valley Community Broadcasters Association (Lehigh), through its attorneys, hereby files its Opposition to the Petition for Leave to Amend and amendment filed on July 27, 1992 by Beacon Broadcasting Corporation (Beacon) in connection with the above-referenced application by Beacon. In support thereof, the following is shown:

- Lehigh is an applicant for a new noncommercial educational FM station on Channel 207A to serve Allentown, Pennsylvania (FCC File No. BPED-891019MF). Lehigh's proposal is mutually exclusive with that of Beacon.
- Lehigh previously filed a Petition to Deny Beacon's application demonstrating that: 1) the application cas originally filed was blatantly defective; and 2) inasmuch as Beacon's resubmitted application, as amended, did not cure the blatant defects in its proposal, including in particular the failure to comply with the rules governing interference to television Channel 6, any further attempt to cure outstanding defects was expressly barred by the Commission's policy
